2020-2021

Annual Report

In the academic year 2020-21, all programs were conducted online due to Covid- 19 pandemic. It includes greetings on Yoga Day, as well as various different activities throughout the year organised in online mode. As it was not possible for actual students to be present in college due to pandemic, awareness programs were taken about the misunderstandings about corona infection through various communities and they were asked to work about it in the village where the volunteers are staying and it helped to remove the misunderstandings about corona in the community and safety. NSS Cell and English department conducted online quiz using Google form to create awareness of Covid -19. College has organised online workshop about importance of diet and yoga during the pandemic. Following extension activities were carried out:

1. My village COVID free village online programme in association with NSS Cell Shivaji University, Kolhapur.
2. Food Grain Distribution by NSS Volunteers
3. Awareness Quiz by NSS Cell and Dept. Of English
4. COVID -19 Vaccination Programme in Association with PHC, Kundal
5. COVID -19 Awareness Programme at Mohite Vadgav
6. COVID -19 Awareness Programme at Kundal

BASIC DETAIL-

NAME OF ACTIVITY-Seminar on Human Wildlife Conflicts

VENUE-KGDBLM, COLLEGE, KUNDAL

Date- 30thDec. 2021.

NATURE-Guest Lecture

BRIEF INFORMATION ABOUT ACTIVITY-

Our college always tries for student career activity, that Manner College performs MOU with Krantisinha Nana Patil College Walwa. Our college arranges the guest lecture for student, as for career guidance and soft skill, in that activity the all student from B.Sc. department are present.

In that seminar the Mr. M. R. Abdar sir gives brief information about the Human Wildlife Conflicts and how's the student prepare for that. Also gives the students to develop your soft skill. In That Lecture Describe the Career Opportunity for Students also. For B.Sc. students they can explain how that student prepare for their future jobs in biodiversity.

OBJECTIVE-

Objective of that Guest Lecture is to particular student and gives the current knowledge about Human Wildlife Conflicts trends and career opportunities in biodiversity trends and develop student's soft skill. For that seminar from our college 40 students are present from B.Sc.

OUTCOMES-

Behalf of his seminar the student give proper knowledge about what thinks are important in Human Wildlife Conflicts and how's we prepare for that and how's we prepare our soft skill .

Celebration of National Mathematics Day 2021

KRANTIAGRANI Dr. G. D. BAPU LAD MAHAVIDYALAYA, KUNDAL celebrated National Mathematics Day on 22nd December 2021 on the birthday of Shri Srinivasa Ramanujan, the great mathematical genius who made exemplary contribution to Mathematics. The Mathematics day was celebrated with objective of creating awareness about importance of mathematics in day to day life situation and also to create students interest in studying the Mathematics. India celebrates 134th birth anniversary of Dr. Ramanujan. The great Mathematician Sir. Srinivasa Ramanujan as "National Mathematics Day" by conducting a competition titled "**Srinivasa Ramanujan Mathematics Quiz**". The quiz contains 25 questions, each questions having 2 marks. It has 40% passing criteria, 142 students participated actively in the event and 111 number of students qualified with getting certificates.

Students were encouraged by getting e-certificates for the same. "Srinivasa Ramanujan Mathematics Quiz" organized on the occasion of National Mathematics Day by Science Association in collaboration with IQAC on 22nd December 2021. As part of the celebrations, quiz programme conducted by **Miss. N. N. Patil**. Online quiz was conducted as this year's mathematics day events with overwhelming response received from students of different states and colleges. Respected Principal **Dr. P. B. Lad** sir also graced the occasion and encouraged the students to participate in such activities in future as well.

4. Which of the following trigonometric function derivatives is correct?

- A) $d/dx(\sin x) = \cos x$
- B) $d/dx(\sec x) = \tan x$
- C) $d/dx(\tan x) = \sec^2 x$
- D) $d/dx(\cos x) = \sin x$

5. The jacobian of p, q, r w.r.t x, y, z given $p = x + y + z$, $q = y + z$, $r = z$ is _____

- A) 0
- B) 1
- C) 2
- D) -1

6. Consider the vertical cone. The minimum value of the function in the region $f(x, y) = c$

- A) constant
- B) 1
- C) 0
- D) -1

111

7. If $A \subset B$ and $B \subset A$ then,

- A) $P(A) > P(B)$

D) 3

11. Which of the following is not a standard method for finding the solutions for differential equations?

- A) Variable Separable
- B) Homogenous Equation
- C) Bernoulli's Equation
- D) Orthogonal Method

12. Taylor's theorem was stated by the mathematician _____

- A) Brook Taylor
- B) Eva Germaine Rimington Taylor
- C) Sir Geoffrey Ingram Taylor
- D) Michael Eugene Taylor

13. The initial condition for the recurrence relation of a factorial is _____

- A) $0! = 0$
- B) $0! = 1$
- C) $1! = 1$
- D) $1! = 0$

D)-18

18. Which of the following method is used to simplify the evaluation of limits?

- A) Cauchy's Mean Value Theorem
- B) Rolle's Theorem
- C) L'Hospital Rule
- D) Fourier Transform

19. If $f(a)$ is equal to $f(b)$ in Mean Value Theorem, then it becomes

- A) Leibniz Theorem
- B) Rolle's Theorem
- C) Taylor Series of a function
- D) Leibniz's Theorem

20. Which of the following is not an example for curve symmetric about y axis?

- A) $x^2=4ay$
- B) $x^2=ay$
- C) $y^2=4ax$
- D) $x^2=2ay$

- C) Continuity implies differentiability
- D) There is no relation between continuity and differentiable

25. Which of the following is correct about the function $f(x)=|x+5|$?

- A) Left and right limits are equal and hence it is differentiable
- B) Left and right limits are not equal and hence it is differentiable
- C) Left and right limits are equal and hence it is not differentiable
- D) Left and right limits are not equal and hence it is not differentiable
